### **Platinum Edge at Homesense Skate Canada International 2008 in Ottawa**

“Hi Stephanie,  
I want to thank the Synchro members who took part in the Opening Ceremonies. There was never a doubt as to who we wanted for that task. You and the kids have worked so hard to get to where you are and you deserved to be a part of the event. Please let everyone know how much I appreciate their being part of the Opening ceremonies.”

Chair, Skate Canada-Eastern  
Ontario

### **Pizza fundraising**

The Junior Synchronized Skating team is collecting orders for little pizzas. Please call Kerri-Lynn Weeks at 687-6881 until Thursday December 4<sup>th</sup> and support our Synchro team! Platinum Edge is heading to Saint-Hubert (Que) on December 13, for their first competition of the season. We wish you the best!

### **Testing**

We would like to congratulate all of our skaters who took part in the testing sessions last week-end. A number of skaters switched category following successful results!

### **Clinic on evaluating**

Mr Ron Conacher from Skate Canada has mentioned he would come to Petawawa to hold a clinic on evaluating, if there was interest. Would any skaters (15) want to give evaluating a try? The skater must be 16 to actually evaluate and it does take attending a low test day or two to do trail judging. Please contact Stephanie Wallace: 613-735-5266
