Adult Program

A PSC Skating Adult Program is held every Saturday at the Silver Dart Arena from 1pm – 2pm. Please contact Laurie Hammel, the PSC Registrar for registrations.

Interclub / New Format

The aim of the new format is to have a fun competition. There will be no free skate competition above the Introductory level. However there will be lots of events for the older skaters such as dancing 4's... Community dignitaries and older skaters will be used to judge timed and distance events. Michele Boucher, the PSC Competition Representative will set up a registration table at the rink two weeks prior to the deadline of November 30th.

The PSC Bingo

Holly McCarvill, the PSC Bingo Representative, is still looking for help with the Bingo sessions. It involves about 4 hours total for a session. Even if someone could only come out once in a while, every little bit helps! Actually, it's a lot of fun!

We have had four sessions so far this year, and have two more to go for 2007. Based on previous experience, we will likely have six sessions for 2008. (approx. once every two months).

Kidskate program

Kathy Buckley, coach, would like to have some volunteers (preferably Senior A, B or Intermediate level) to assist the kidskaters each Saturday from 12:00-12:30 and Wednesday from 6:00-6:30. We have a

large group this year and if anyone is available to help, it would be greatly appreciated. Please contact the PSC coach liaison, Pat Turgeon.

Congratulations!

Tilly Greenfield and Jessica Desjardins attended the Skokie Skate competition in Huntsville, earlier on this month. Congratulations both for your excellent performance!

Music room

If you would like to assist with the music during the weekly skating sessions, please, contact the PSC Program representative, Louise Martin.
